CALIOS 1
Top design and functionality.

Digital cordless telephone with colour display,
SIM-card-reader and SMS-function*.

Top design and functionality in one.

CALIOS 1

The Grundig CALIOS 1 combines modern communication with innovative design.

An illuminated colour display with symbol-supported user guidance, illuminated colour display, handsfree-function and shortcut-dialling enable maximum user friendliness.

A very easy-to-use phonebook: the integrated chip-reader allows the copying of your contacts from your mobile SIM-card into your CALIOS 1 phonebook as well as linking an individual ring tone melody to each contact in the address book.
